#### Independent auditors' report on the review of condensed consolidated interim financial information

The Board of Directors National Marine Dredging Company (Public Shareholding Company) Abu Dhabi

#### Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of National Marine Dredging Company (Public Shareholding Company) ("the Company") and its subsidiaries (collectively referred to as "the Group") as at 31 March 2014 and the related condensed consolidated interim statements of profit or loss and other comprehensive income, changes in equity and cash flows for the three-month period then ended ("condensed consolidated interim financial information"). Management is responsible for the preparation and presentation of the condensed consolidated interim financial information in accordance with International Accounting Standard IAS – 34, *Interim Financial Reporting*. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 31 March 2014 condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34 - *Interim Financial Reporting*.

#### Emphasis of matter

Without qualifying our review conclusion, we draw attention to note 12 to the condensed interim consolidated financial information, which states that management has exercised significant judgment in estimating the amounts of revenue recognised, and unbilled receivables recoverable, on projects wherein formal agreements are currently not in place for significant periods of time.

#### a) New standards, interpretations and amendments adopted by the Group

Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)

The amendments to IAS 32 clarify the offsetting criteria in IAS 32 by explaining when an entity currently has a legally enforceable right to set-off and when gross settlement is equivalent to net settlement. The application of this standard did not have any impact on the condensed consolidated interim financial information.

Recoverable Amount Disclosures for Non-Financial Assets (Amendments to IAS 36) (2013)

The IASB has issued amendments to reverse the unintended requirement in IFRS 13 Fair Value Measurement to disclose the recoverable amount of every cash-generating unit to which significant goodwill or indefinite-lived intangible assets have been allocated. Under the amendments, recoverable amount is required to be disclosed only when an impairment loss has been recognised or reversed.

In addition, this balance includes an amount of AED 471,917 thousand (2013: 401,000 thousand), which is outstanding for periods exceeding one year as at the reporting date.

However, based on the status of discussions with the counterparties, past payment history and the relationship between the parties, management has assessed that that these recorded amounts are fully recoverable.
